A Ferndale couple helped pinch a pill thief.

Gordon Russ knows things just don't go missing. He's a magician. So when his wife's pain pill began to disappear, he came up with a unique way to catch the thief.

Russ said, "I hid a camera."

It didn't take long to learn the thief was his neighbor and tenant 28-year old Noah Metzger. Metzger now faces a 15 year felony.

FOX 2's Brad Edwards spoke to with Russ about the criminal in his midst.
